Summary

Full-Stack web developer with a background in customer service and a dedication to life-long learning. Recently earned a certificate in full-stack web development from the University of Denver with newly developed skills in JavaScript, React.js, back-end technologies such as SQL and MongoDB, and responsive web design. Known as an avid and self-driven problem solver dedicated to learning and passionate about coding and the programming process.

Education

FULL-STACK WEB DEVELOPMENT BOOTCAMP | JUL 2022 | UNIVERSITY OF DENVER

Graduated a full stack coding boot-camp based in JavaScript that taught all aspects of web design including front end styling with HTML and CSS as well as back-end development of servers and databases.

COMPUTER SCIENCE | METROPOLITAN STATE UNIVERSITY OF DENVER

Course credits in Computer Science 1 and 2, and Computer Organization 1 and 2.
